

Educational Foundation Donor Recognition Wall Located in New London-Spicer Performing Arts Center

It is our mission to enhance the quality of education in the New London-Spicer School District by helping to fund programs that benefit all students.

Since the establishment of the Foundation in 2006, we have awarded grants for programs and projects that engage students and enhance the STEAM curriculum. On average, we annually fund \$10,000 in teacher grants and an additional \$2,500 in the form of Merit Scholarships. For this initiative, we have set a goal to grow the endowment to \$890,000. Paired with annual giving, we could substantially increase our education-enhancing grants and scholarships! Join us in promoting innovative lessons & activities that shape our children's minds.
