

11TH GRADE ACTIVITIES

Classroom Activities

College and Career Activities

-Students complete several activities on www.mncis.intocareers.org including IDEAS (an interest inventory), Reality Check and a college search to find 2- or 4-year colleges that match their chosen criteria.

ACT State Testing

-In the spring, typically April, students are able to take the ACT (for a cost) during the school day.

PSAT

-This is an optional test give in mid-October. It is a qualifying exam for several scholarships and can be used as a practice for other standardized tests.

Course Registration

-In late February, counselors talk to juniors about classes they can take during their senior year. The following week, students register for those classes in the computer lab.

-Students also update their 4-Year Plan.

Past Graduate Panel

-NLS graduates come back to answer questions about life after high school. They talk about their experiences with work, college and the military.

Other Activities

Ridgewater College Fair

-Every fall Ridgewater hosts a college fair for area high school students. Students have the opportunity to visit representatives from nearly 100 different colleges.
